Kink

The band scream their angst and hate from the stage, bass grinds through her viscera and the emotion and intensity of it rips up her soul - all it takes to complete it, to complete *her*, is lust. The push of his cock from behind, scramble of sneaker clad toes against the barrier. She can feel his legs tremble; he's holding her up, her weight balanced on the push of his pelvis against her. He thrusts, grunts, and warmth runs down her thigh.

The barrier will leave bruises she'll press with a smile until they fade.

Her favourite kink of all.
